Darbhanga, India

### +2 R.S Girls High School (BSEB)

2016 - 2017

10th (BOARD) (Percentage **81.2%**)

Darbhanga, India

## Project

### Library Management System | code

- A Desktop Application built using **Java** , **Swing GUI**, and **MySQL**.
- User-Friendly Interface: The system features an intuitive and user-friendly graphical interface designed with Java Swing components, making it easy for librarians and users to navigate and interact with the application.
- It provides User Authentication: Implemented login and registration system for librarians and users to access the system securely.
- CRUD Operations: The system supports CRUD operations for managing library resources. Librarians can easily add new books (Create), view book details (Read), update book information (Update), and remove books from the system (Delete).
- Issuing and Returning: Facilitates issuing and returning books with due dates.

## Technical Skills

Course Work: DSA , OOPS

Technologies: Java HTML, CSS, MySQL
